THE FAYETTEVILLE PLANTS

Northern Capitalists Are Interested in the Enlargement of Enterprises Now Working on a Substantial Business Basis.

(Special to The Times-Dispatch.)
FAYETTEVILLE, N. C., April 14.—Quite a number of New York capitalists are registered at the Hotel Lafayette, and they spent yesterday at the extensive works of the Southern Pine Product Manufacturing Co., situated on the Aberdeen and Rockfish Railway, a few miles southwest of this city. Of the number, are the following: Dr. and Mrs. Sumner Ely, Mr. and Mrs. G. A. Farnham; Messrs. B. Brown, P. C. Maglin, F. L. Bacon, M. McKensie, C. C. Dickinson, of New York, and J. H. Porter, of Denver. Col. Their visit is supposed to precede an enlargement of the capacity and output of the plant, of which Mr. W. M. Weed is superintendent. Another enterprise for the manufacture of products of the pine is well under way, to be under the supervision of Major A. A. McKeehan, clerk of the Superior Court, A. A. McKeehan, Jr., ex-United States Marshal, and others. The United States, obtained from this manufacture number about thirty, of value and importance in the mechanical arts.

Government agent Frank Boussie has been here for the past few days in conference with county officials, and has made two or three inspecting expeditions over the western and eastern parts of Cumberland, the result of which will be the establishment of at least three, and perhaps more, greatly needed rural delivery mail routes.

Tomorrow at noon, in the County Court room on Gillespie Street, in this city, the wood shippers of North and South Carolina meet in convention, the object being their protection in the transportation of their products, the crossing, portage, and telephone poles, etc., and a general advance in prices of material. The Committee of Arrangements consists of Messrs. S. K. Toler, president, North Carolina; Pate Bros., Bull and A. H. Hazard, Durham.

This morning The Times-Dispatch correspondent saw a handsome marble monument just completed by Mr. E. M. Remeburg, stonecutter, on the corner of Hay and Maxwell Streets, which will be erected on the James Robeson homestead in Bladen county to the memory of Thomas J. Robeson and his wife Mary. The former was the son of Colonel Thomas and Sarah Singleton Robeson, was born June 17, 1740; died May 2, 1785, and was a patriot of the Revolution.

A member of the Provincial Congress of 1775-76. His wife was Mary Bartram, daughter of Colonel William and Elizabeth Bartram, and niece of John Bartram, the distinguished botanist of Philadelphia, who figures a character in the novel, "Hugh Wynne."

Vigorous Campaign is Being Pushed in Guilford County.

(Special to The Times-Dispatch.)
GREENSBORO, N. C., April 14.—The campaign for the vote on the \$200,000 bond issue for good roads is being vigorously conducted by the managers, Messrs. Scates and Douglas. The county commissioners have issued a strong article in favor of the measure. Saturday, at the regular annual meeting of the Guilford County Mutual Aid Insurance Association, strong resolutions endorsing the bond issue were adopted by the association, composed of the leading farmers and business men of the county.

Messrs. Holland and Fitzgerald, of Richmond, came here last night, and are endeavoring to locate Mr. John Miller, of Chaco City. Mr. Miller was one with the Jefferson Hotel force. For some time he has been suffering with nervous prostration. The last known of him, he purchased a ticket at Chaco City for Greensboro. Efforts to find him here have been futile, as none of the hotels, hospitals or sanitariums know anything of him.

An embargo car of a freight jumped the track at Friendship, between Winston and Greensboro, last night, and was painfully bruised and shaken up. Saturday night John Miller was one with the Jefferson Hotel force. For some time he has been suffering with nervous prostration. The last known of him, he purchased a ticket at Chaco City for Greensboro. Efforts to find him here have been futile, as none of the hotels, hospitals or sanitariums know anything of him.

A choice thief placed a step ladder at a rear transom of Harpe's saloon last night, broke the bolt and entered. He took four boxes of 25 cent cigars and four bottles of whiskey. To get at the water cistern a stack of 5-cent coins were removed. He also tried to get into the safe and the cash register, but failed.

STORM AT NEWBERN

Crops Destroyed, Houses Unroofed, and Fences Blown Down.

(Special to The Times-Dispatch.)
NEWBERN, N. C., April 14.—A severe wind and hail storm visited Newbern at 2 o'clock this afternoon. Some crops of peas, beans, cabbage and strawberries were practically destroyed. The tent of Gentry's show and numerous fences were blown down and two houses were unroofed. The damage will reach up into the thousands, possibly \$10,000 to \$20,000. Some estimate higher. The storm at one time took on cyclonic proportions, and citizens generally were greatly frightened. The wind bore southwest to northwest, and its track was a mile wide. When the rural district is heard from it is feared the damage will possibly increase. The storm was heavy in the Bayboro section.

A QUEST AT BILTMORE

Miss Alice Roosevelt Visiting Mrs. George Vanderbilt.

(Special to The Times-Dispatch.)
ASHBURY, N. C., April 14.—Miss Alice Roosevelt arrived at Biltmore this afternoon for a week's visit to Mr. and Mrs. George Vanderbilt at Biltmore House. In the party were Commander and Mrs. Cowles, and Mrs. Cadwalader Jones. The party traveled in Mr. Van-

derbilt's private car, Swannanoa. Owing to a week last night near Greensboro, Miss Roosevelt's train was four hours late, and did not reach Biltmore until 5:30 o'clock. A drizzling rain had commenced just a short time before the train came in. At the Biltmore station were Mr. and Mrs. George Vanderbilt, with a retinue of servants and carriages. Miss Roosevelt, in an open trap with Mrs. Vanderbilt, drove to Biltmore House. There has been no special program of entertainment prepared for Miss Roosevelt other than that arranged by Mrs. Vanderbilt, which includes several dinner parties, drives, etc. Mrs. Vanderbilt's bazaar is to take place Thursday at Biltmore, and Miss Roosevelt will be an active participant. It is expected that Mr. and Mrs. Vanderbilt and their guests will lend their presence to the Amateur Horse Show, under the auspices of the association at Riverside Park, Saturday.

Primary at Wilmington.

(Special to The Times-Dispatch.)
WILMINGTON, N. C., April 14.—The Democratic city primary was very quiet to-day. The contest for Mayor was close, and owing to the large number of candidates in the field, a second election day after to-morrow is necessary to a nomination between Colonel A. M. Waddell and W. E. Springer, who received 573 and 565 votes, respectively.

In the Third Ward a second primary will also be necessary to nominate an Alderman as between Dr. T. S. Burbank and S. Behrends.

MR. MAYNARD LIKES THE CANAL

Congressman from Second Virginia District Says It Is Not So Unhealthy.

(By Associated Press.)
COLON, COLOMBIA, April 14.—Congressman H. L. Maynard, from Virginia, sailed to-day on the Segurana for New York. He expressed himself as highly pleased with the isthmus of Panama, which he considers more up-to-date and far less healthy than is generally imagined. He shares the view of the best informed persons that notwithstanding an influential opposition in the next Colombian Congress, the United States government finally will overcome all sentimental objections and secure the ratification of the Panama Canal convention.

He also expressed his approval of the Panama Canal convention.

Revs. T. J. Jones and R. R. Howison Make Reports to the Presbytery and Committees Are Appointed.

East Hanover Presbytery met in its second day's session in Overbrook Church at 9:30 A. M., and was opened with devotional exercises, conducted by Dr. Russell Cecil.

The following members reported and were enrolled: Rev. J. S. Foster, Rev. W. McQuinn, Rev. J. W. Roseboro, D. D., Rev. J. F. Fick, Rev. L. E. Scott, Rev. S. K. Winn, D. D., Rev. N. M. Jones, J. C. Riddle, Westminster, W. T. Armstrong, Samuel David, George P. Haw, Richmond, First, James G. Tinsley; Oliver, W. V. Jones; Fredericksburg, Dr. H. M. D. Martin; Mispah, Dr. S. P. Christian; Manchester, Dr. K. Kemp; Petersburg, Second, David C. Callender.

The first matter of interest taken up was the resignation of Mr. G. F. Kirkpatrick, of Fredericksburg, as a candidate for the ministry.

PASTOR RESIGNS
The resignation of Rev. T. J. Jones, D. D., as pastor of the Brunswick Church was presented to the Presbytery. This was done by Dr. Jones in consequence of his falling health. With many expressions of regret on the part of many members of the Presbytery, the resignation was accepted, and Rev. J. W. Roseboro, D. D., was appointed to write a letter to Dr. Jones expressing the sentiment of the Presbytery in this matter, and the moderator led the Presbytery in prayer in his behalf.

Rev. R. R. Howison was appointed to visit this church on the second Sunday of May to declare the church vacant.

A request was received from the session of the Richmond Presbytery, asking for the appointment of a commission to organize a church at Montrose Chapel, in Henrico, when the way shall be clear, and the request was granted.

And the following commission was appointed: Rev. R. A. Kerr, D. D., Rev. Jere Witherspoon, D. D., Rev. J. E. Cook, Rev. R. B. Eggleston, Mr. James W. Gordon and Mr. George Storrs.

A letter was received from Rev. R. P. Kerr, D. D., asking Presbytery to excuse him from attendance upon this meeting, as he has to attend this week a meeting of the Pan-Presbyterian Commission in New York. His request was granted.

DR. HOWISON RESIGNS
Rev. R. R. Howison, D. D., reported to the Presbytery that he had offered his resignation as stated supply of the Ashland church, and that the church had accepted his resignation. His course was approved by the Presbytery.

Rev. R. P. Kerr, D. D., and Mr. James G. Tinsley were appointed a committee to counsel and advise with this church in securing another pastor.

Reports from the churches were presented and referred to the appropriate committees, and the narratives of the state of religion in the churches were read.

The report of Rev. J. C. Stewart, D. D., treasurer of the Twentieth Century Educational Fund, showed that \$3,632.09 had been paid to him on account of this fund. This does not include much money that has been paid directly to the institutions of learning; nor does this include much larger amounts subscribed and to be paid during the next five years.

At the night session Rev. J. S. Foster, of Petersburg, preached the Presbyterian sermon, according to appointment, on "The Sabbath," taking as his text Exodus 20: "Remember the Sabbath day to keep it holy." This sermon was a clear and strong presentation of the scriptural doctrine of the Sabbath as held by the Presbyterian Church.

BRIDE WAS GOWNED IN HEAVY WHITE SILK With a Veil of Rare Lace Flowing Back from the Crown of Her Head.

NEWPORT, R. I., April 14.—The wedding of Reginald C. Vanderbilt, of New York, the youngest son of the late Cornelius Vanderbilt, and Miss Cathleen G. Nelson, also of New York, which occurred at "Arling" at noon to-day, was a brilliant as well as an early beginning of the social season of 1908 at Newport.

It was a white wedding. The decorations were white on a background of green; the bridesmaids were gownned in white, with white picture hats; the bridegroom, his best man and the ushers wore white puff cravats and white boutonnieres, and the bride, of course, was attired in the purest white.

For an hour preceding the ceremony an orchestra played, and just at noon the measured strains of the Lohengrin march signalled the approach of the bridal party. Rev. Father Meenan, attended by two altar boys, previously had taken his place at a floral altar, and just as the procession started down the grand staircase Mr. Vanderbilt, accompanied by his elder brother, Alfred Gwynne Vanderbilt, took positions beside the priest.

Miss Nelson advanced on the arm of her uncle, Frederick Gebhard. The maid of honor was Miss Gladys Vanderbilt, a sister of the groom. Her four bridesmaids were Miss Isabelle May, of Washington, D. C., and other Richmond girls. Miss Florence Twombly, a cousin of Mr. Vanderbilt; Miss Evelyn Parsons and Miss Nellie Schenck.

The bride was gownned in heavy white silk, with a veil of rare lace flowing back from the crown of her head to the tips of her train. Around her throat was lightly clasped a serpent necklace of rarest pearls, the gift of the bridegroom.

The ceremony was brief. Its completion was indicated by the Mendelssohn march. A recessed door, and an inscription was made of the bridal gifts, which were declared to be probably as costly an array as was ever bestowed on two young people at the advent of their married life. Then came the wedding breakfast.

Mr. and Mrs. Vanderbilt left for their villa at Sandy Point, a few miles up the island, during the afternoon, where they will spend a few days previous to a three-months' trip to Europe.

BIG PLANT MAY GO WEST

Removal of Hill Printing House to Jenkins Lot Spoken of.

MUCH PROPERTY OFFERED

Last Half of April Will See Transfer of Much Richmond Realty—To-Morrow to Be a Big Day—The Agents Have Faith.

It is reported that the management of the J. L. Hill Printing Company, on Twelfth Street, is likely to be moved out to Allison and Broad Streets, to a lot adjoining that on which the bindery of Mr. L. H. Jenkins is now being erected.

Mr. Jenkins is one of the largest owners and the manager of the Hill printing house. He also owns the handsome lot adjoining that of his new bindery. The printing house and the bindery work together, though they are separate institutions. It is not contemplated that they shall be consolidated. The building, in course of erection at Allison and Broad, is growing as rapidly as the weather will permit the builders to work on it. It will give Mr. Jenkins about 25,000 feet floor space, and he expects to give employment to as many girls as he can find.

The second half of April will be remarkable for the amount of property already advertised to be offered within the last fifteen days of this month. It seems that real estate is becoming very active and the agents have much faith in the market.

To-day, if the weather is good, some valuable property will be offered. William B. Pizzini Company will sell the valuable three-story and basement store at the northwest corner of Cary and Twelfth Streets, formerly occupied by Slater, Myers and Company. This sale occurs at 1 P. M.

A. J. Chevalier Company will sell a lot of land on First Street, opposite the penitentiary. Sheds on the premises will afford accommodation for twenty-four mules. This sale occurs at 5 P. M.

Pollard and Bagby will sell No. 1529 Carrington Street, also at 5 P. M. to-day.

To-morrow promises to be a favorite day for selling and the agents hope, for buying, too. Many pieces of attractive property will be offered.

Mr. J. D. Garpal and Son will offer No. 119 Mayo Street at 6 P. M. At the same hour Sution and Company will offer No. 729 West Marshall Street. This is a brick store and dwelling.

James H. Gresham will offer to-morrow will sell No. 53 North Adams Street. This is a substantial three-story brick dwelling of eleven rooms.

At 5:30 to-morrow the A. J. Chevalier Company will sell a lot fronting 157 feet on Seventh Street, between Leigh and B. This is a ravine, but ravines are so quickly filled up now and built upon that they have become quite valuable.

The William B. Pizzini Company will sell at 6 P. M. to-morrow No. 123 Floyd Avenue. This is a desirable residence of eight rooms and has a first-class tenant at present.

Pollard and Bagby will sell at 5 P. M. No. 658 North Seventeenth Street. Some property will be offered on Friday and already announcements are made for almost every remaining day in the month.

MR. MAYER WEDS

Was United Yesterday Afternoon to Miss Jennie Keller.

Mr. George B. Mayer was married yesterday afternoon to Miss Jennie Keller. The ceremony was of a very quiet nature, and was performed by the Rev. Father John Smith, at the home of the bride's mother, Mr. Joseph A. Mayer, brother of the groom, at the best man.

Miss Keller is the only daughter of Mrs. M. P. Keller, and the groom is a son of the late Felix Mayer.

After the congratulations of their many friends present, the couple left for Washington, D. C., and other northern cities. On their return they will reside at No. 722 West Marshall Street.

THE PUBLIC SCHOOLS

Statutes Bearing on the Subject Now Being Framed by Superintendents.

SWEETHEARTS END THEIR OWN LIVES

(By Associated Press.)
BAYANNAH, GA., April 14.—Yesterday near Quitman, in Brooks county, Ivy Dampier, a young man twenty-three years old, committed suicide by shooting himself in the head. A deputy sheriff had gone from Quitman with a warrant for him. Dampier asked permission to bathe and change his clothing. Soon after retiring to his room the sound of a pistol shot alarmed the household, and he was found to have placed a pistol in his left temple and sent a bullet through his brain.

Early this morning Miss Merga Rogers, who is said to have been engaged to marry Dampier at an early date, placed the muzzle of a shotgun against her breast and discharged it. Her breast and shoulder were terribly lacerated. She is alive, but may not recover.

NEW ORLEANS, LA., April 14.—An early morning gale swept the east side of West End, the summer resort on Lake Pontchartrain, destroying considerable property to-day. The most serious loss were sustained by the members of the Southern Yacht Club. A large number of sloops, motor-boats and yachts were at anchor in the pen when the fire started, and many were burned before they could be removed. The loss is about \$75,000.
